

How to apply for a course

You may now apply online for Day, Evening and Local Training Initiative courses using the website of the Further Education and Training Course Hub www.fetchcourses.ie. Those wishing to pursue application for a Community Programme (i.e. Specialist Training Provider and Community Training Centre), should contact the relevant provider directly.

Application Selection Criteria

Selection criteria may apply in the case of courses where content is of a complex and specialised nature. The Recruitment Office will advise in this regard.

Notification of successful application

Finglas Training Centre will contact applicants four weeks prior to the course start date. You may be required to attend an information session to assess course suitability.

Certification

The majority of courses offer Quality & Qualifications Ireland (QQI) certification with others offering industry recognised certification. Certificates are issued to learners following completion of a process of External Authentication which process can take up to five months to conclude.
